Intensive Week | July 25 - 28

Great for the committed, intermediate to advanced dancer, who may be interested in auditioning for a competition team in the fall.

Join JDC and Guest Faculty for a week-long intensive, focused on developing and improving skills included as part of audition choreography.

Students are not required to take these classes before auditioning in August, but these classes will help prepare students who plan to audition.

Class Details and Schedule will be available in mid-June
